Helical Gear Box

Helical Gear Box | SKU SKE-GBX-002

Helical gearboxes for smooth, quiet, high-load power transmission in industrial drives. Also searched as: helical reduction gearbox, inline helical gearbox, helical speed reducer, helical geared motor, parallel shaft helical gearbox

Specification

Gear Type	Helical
Standard	AGMA / ISO 6336 rating
Mounting	Foot / flange
Typical Efficiency	About 95 - 98 % per stage
Shaft Arrangement	Parallel shafts

Typical applications

- Conveyors and elevators
- Mixers and agitators
- Mills and general drives

Key features

- Hardened and ground gears
- High torque density
- Quiet running

To get a quotation, send us

- Input power (kW) and speed
- Output speed / ratio and torque
- Service factor and duty (hours per day)
- Mounting, shaft arrangement and orientation
- Environment, lubrication and any special requirement
