SKE Bharat | Specification sheet

# MCCB (Moulded Case Circuit Breaker)

MCCB (Moulded Case Circuit Breaker) | SKU SKE-SWC-003

Moulded-case circuit breakers for feeder and motor-circuit protection from tens to a few thousand amperes. Also searched as: moulded case circuit breaker, MCCB breaker, MCCB switch, molded case circuit breaker, 3 pole MCCB, MCCB for panel

## Specification

| | |
|---|---|
| **Product Type** | Moulded case circuit breaker |
| **Standard** | IEC 60947-2 |
| **Selection Basis** | Frame size, current rating, poles, breaking capacity (kA), trip unit (thermal-magnetic / electronic) |
| **Typical Use** | Feeders, incomers and motor circuits in LT panels |

## Typical applications

- Main and sub-distribution panels
- Motor control centres
- Generator and capacitor feeders

## Key features

- Adjustable thermal-magnetic or electronic trip units
- Add-on accessories: shunt trip, auxiliary contacts, motor operators
- Fixed or plug-in / drawout versions

## To get a quotation, send us

- Rating (current / voltage / capacity) and quantity
- Standard and approvals required
- Application and installation environment
- Preferred make, if any (we confirm what we can supply)
- Datasheet or drawing reference, if you have one
