Medium Voltage Panels

Medium Voltage Panels | SKU SKE-SWG-014

Medium-voltage switchgear for plant incomers, feeders and HV motors. Also searched as: MV switchgear, medium voltage switchgear panel, high voltage panels, HT panel, medium voltage panel board, MV switchgear panel

Specification

Panel Type	MV switchgear
Standard	IEC 62271-200
Voltage Class	3.3 kV - 33 kV
Construction	Metal-enclosed
Protection Degree	IP4X (typical)
Typical Use	MV distribution and motors

Typical applications

- Plant HT incomers
- HV motor starting
- Substation feeders

Key features

- VCB / contactor options
- Protection relays
- Interlocks and earthing

To get a quotation, send us

- Single-line diagram and incomer / feeder schedule
- System voltage, fault level (kA) and busbar rating
- Switching devices and make preference
- Indoor / outdoor, IP degree and ambient
- Metering, protection and communication requirements
