SKE Bharat | Specification sheet

Microtek I-Lithium

Lithium & Integrated Battery UPS | SKU SKE-MTK-013

Wall-mounted pure sine wave inverter with a built-in lithium-ion battery in a single unit; WiFi monitoring on the newer models. Also searched as: Microtek lithium inverter, Microtek I-Lithium UPS, wall mounted lithium inverter, inverter with built-in lithium battery, Microtek lithium ion home inverter

Specification

Brand	Microtek
Product Type	Lithium & Integrated Battery UPS

Typical applications

- Homes
- Offices
- Shops

Key features

- 2000VA Power Rating: Designed to support compatible power backup requirements within the rated capacity.
- 6V Battery Configuration: Features a nominal battery voltage of 25.6V.
- 100Ah Battery Capacity: Provides a nominal energy capacity of 2.56kWh, calculated from the battery voltage and capacity.
- Lithium-Based Power Backup: Offers a lithium battery-based solution for suitable backup applications.
- Compact Product Information: Clearly specified dimensions support space planning before installation.
