SKE Bharat | Specification sheet

Pressure, Temperature & Level Transmitters

Pressure, Temperature & Level Transmitters | SKU SKE-AUT-008

Field transmitters that convert process variables to 4-20 mA or digital signals. Also searched as: pressure transmitter, temperature transmitter, level transmitter, 4-20 mA transmitter, process transmitter, industrial transmitters

Specification

Product Type	Process transmitter
Standard	IEC 60770 (transmitters)
Selection Basis	Variable and range, output signal, process connection, wetted material, hazardous-area rating if needed
Typical Use	Process measurement

Typical applications

- Water and utility systems
- Boilers and compressors
- Tank level and dosing

Key features

- 4-20 mA with HART options
- Stainless steel wetted parts
- Local display versions

To get a quotation, send us

- Rating (current / voltage / capacity) and quantity
- Standard and approvals required
- Application and installation environment
- Preferred make, if any (we confirm what we can supply)
- Datasheet or drawing reference, if you have one
