SKE Bharat | Specification sheet

Solar Panel

Solar Panel | SKU SKE-SOL-008

Crystalline-silicon photovoltaic modules for rooftop, ground-mount and utility plants. Also searched as: PV module, solar PV panel, crystalline silicon solar module, solar module, photovoltaic panel, rooftop solar panel

Specification

Product Type	PV module
Standard	IEC 61215, IEC 61730
Voltage Class	DC, up to 1000 / 1500 V system
Construction	Framed glass-glass or glass-backsheet
Protection Degree	IP67/IP68 junction box
Typical Use	Power generation

Typical applications

- Rooftop systems
- Ground-mounted plants
- Industrial captive solar

Key features

- Mono-crystalline, high-efficiency cells
- Long-term power warranty from manufacturer
- Compatible with string and central inverters

To get a quotation, send us

- System size (kWp) and inverter details
- String / array configuration and DC voltage
- Number of inputs and outputs
- Indoor / outdoor mounting and ambient
- Monitoring and protection requirements
