SKE Bharat | Specification sheet

Surge Protection Devices (SPD)

Surge Protection Devices (SPD) | SKU SKE-SWC-011

Surge protective devices that divert lightning and switching surges away from equipment. Also searched as: SPD, surge protective device, surge protector, Type 1 Type 2 SPD, solar DC SPD, SPD for electrical panel

Specification

Product Type	Surge protective device
Standard	IEC 61643-11 (AC), IEC 61643-31 (DC)
Selection Basis	Type (1 / 2 / 3), system voltage, discharge current, AC or DC (solar)
Typical Use	Surge protection at panels and solar arrays

Typical applications

- Main and sub-distribution panels
- Solar array and inverter DC side
- Sensitive electronic equipment

Key features

- Replaceable cartridges
- Status indication
- AC and DC versions

To get a quotation, send us

- Rating (current / voltage / capacity) and quantity
- Standard and approvals required
- Application and installation environment
- Preferred make, if any (we confirm what we can supply)
- Datasheet or drawing reference, if you have one
